

A horizontal bar chart comparing the lengths of ten rivers. The x-axis represents the river length in kilometers, ranging from 0 to over 1000. The y-axis lists the river names. Each river's name is written vertically next to its corresponding bar. The bars are colored in a gradient: red for shorter rivers, yellow for medium-length rivers, and orange for the longest rivers.

River	Length (km)
Reinsfeld	96597
Heidenburg	94521
Fellerich	97060
Ramersbach	100320
Pohlbach	100611
Haustadt	97144
Galenberg	97418
Morscholz	96247
Oberemmel	96617
Gusenburg	100483
Kreit	97789
Greimersburg	97698
Greimerath	99897
Mesenich	93882
Falscheid	97910
Kirchwald	95273
Mertesdorf	93886
Wassenach	98860
Koisdorf	99650
He-Stroheim	100610
Nohn	96808
Reifferscheid	100794
Rascheid	95656
